### PRINCIPAL'S MESSAGE

We've made it through our first month of school, and I'm thrilled to share that it's going really well! Each day, I'm reminded just how incredible our students are—they've shown such resilience and enthusiasm. It's impressive to see how well they've adjusted to their new classes and daily routines, embracing the opportunities that come with a fresh start.

Our teachers have been dedicated to building strong relationships with their students, taking the time to connect and understand their individual learning needs. This focus on fostering a supportive environment is making a real difference in our classrooms. It's heartwarming to witness the growth and confidence our students are showing as they engage in their learning.

With Thanksgiving around the corner, we're reflecting on all we have to be grateful for here at Basinview Drive Community School. Our students are enjoying fun and engaging learning experiences both inside and outside the classroom.

October is a special month as we honor Mi'kmaq History Month and Islamic Heritage Month, celebrating the rich cultures and contributions of both communities. We also look forward to Diwali, the Festival of Lights, which reminds us of hope and new beginnings. Let's take a moment to appreciate and learn from these diverse heritages.
