African Heritage Month

This year's theme, 'Seas of Struggle: African Peoples from Shore to Shore,' recognizes the struggles people of African Descent face from the shores of Africa to the shores of Nova Scotia. This theme explores the struggle and adversity that was overcome by people of African descent in Nova Scotia and across the African Diaspora. For the latest information on African Heritage Month events, programs, and activities, visit the Nova Scotia African Heritage Month Information Network website at:

- <https://www.ahm.bccnswab.com/wp/home/>

Throughout the month of February, we will be honoring and learning about African Heritage and Black History. Knowing that all people contribute to our shared history, we will be taking time to focus our learning on this topic.

It is important for all learning to be shared with home therefore, we invite you to take time to explore the resources we will be sending home each week and use these to connect with your child on what they will be learning in school.

Valentine's Day at Basinview

Valentine's Day is always a great time to celebrate acts of friendship and kindness. This year, we will be able to return to the tradition of exchanging Valentine's Day Cards if you choose to do so. Teachers will be in contact with families on how they will be recognizing this day and with the names of students in their class.

Dressing for the Weather

Please make sure that your children are dressed for the weather... if you can guess what it will be each day. It is important that children have snow pants to play in the snow or slide on the hills. As always, it is a good idea to have additional dry clothing (especially socks and mitts) in your child's backpack. This will keep the calls home in the middle of the day to a minimum.

Plans for Inclement Weather

It is important to take the time to review our policy on inclement weather. In the event of an early/emergency dismissal (i.e., bad weather or emergencies such as a power outage) we will contact families directly to review how/with whom students will go home at dismissal. At the beginning of the school year, we sent home contact information sheets to be updated. If there are any further changes to contact information/emergency contact people please advise the school as soon as possible.

It is the decision of the Halifax Regional Center for Education whether school will be closed. The school cannot make that decision. In cases when the weather is bad early in the morning, please listen to the local radio stations or the HRCE website (<https://www.hrce.ca/about-our-schools/parents/school-cancellations>)

Basinview Drive Community School is in the CPA Family of Schools. In some cases, STOCK and SOUTHLAND will cancel bus service, but schools will remain open. A decision to cancel some, or all, bus runs will be announced by 6:00am. The cancelled buses, and impacted schools, will be identified in the announcement. On those days, parents are responsible for transportation. If buses are cancelled in the morning, they are cancelled for the whole day.

Anyone (other than parent/guardians in the HRCE) who wish to receive school cancellations due to inclement weather by text message must opt-in [here](#).
