It is hard to believe that it is June already! Although the students are looking forward to June 28th, there is still a lot of learning left to happen this month.

Basinview school never ceases to amaze me with its dedication to learning and supporting our entire community. We have continued to work on learning about who is in our community and celebrate and respect who we are. As we all continue to grow and learn together, Basinview will remain a safe place for everyone to proudly be themselves and celebrate their culture and heritage.

Not only have our students increased their learning in the grade level curriculum topics, but have also learned the important skills of friendship, kindness, caring for others, empathy and sharing.

I hope you all have a wonderful summer full of exciting and fun experiences so that all students can come back in September excited to share what they have learned with their friends here at Basinview!

More Important Information

Report Cards / Last Day of School:

All report cards will be sent home digitally on Thursday, June 28th. Unfortunately, we will not be able to send these out earlier than that date.

On the last day, school hours will be 8:40am – 10:40am. Buses will be available to transport the students at that time. If you plan on picking your child up that day, please let their teacher know.

Staffing Changes

Every year, schools have to say goodbye to some of the staff, and welcome new staff members to the school community. This year is no exception.

After many years of dedicated service to the students and families at Basinview, three of our valuable staff members will be retiring at the end of June. We wish Mr. Pelerine (Custodian), Ms. Vokey (Grade 4), and Mrs. Dean-White (Resource) great joy in their well-deserved retirement. We will miss you all very much.

All other staffing changes will be announced once our staffing process has finished later this month. Please stay tuned!

Supply Lists 2024-2025:

We will post the supply lists for next year on the school website at the end of the school year.

If you require help in purchasing supplies, please reach out to Mr. Cleary or Mr. Dawson, and they will support you and your family as needed. All requests for support will be handled confidentially.

Thank you to our Lunch Monitors:

We want to express our heartfelt thanks to all the amazing people who have worked to support our students at lunch time. The caring, support, and time that they have given to help at lunch hour is greatly appreciated.

PTP – End of year meeting

On June 5th we will be holding our PTP's final meeting of the year. Please feel free to attend to join the wrap up of a wonderful year of fundraising to support the students of Basinview and to start making our plans for the year ahead.

The Parent/Teacher Partnership is a wonderful way to get involved in our school community. Whether you join a committee, lend a hand at an event, or come to meetings to hear what's coming up at school an effective PTP relies on the views and voices of a wide range of families in our community. Hope to see you on the 13th!

Thank you PTP!!!

A HUGE thank you to the volunteers of the PTA for the hours they have dedicated to supporting our school this year. Without these fundraising efforts, the school would not be able to provide many of the learning experiences that support engaging and fun learning opportunities for our students. The funds raised this year went to support the school through a variety of ways such as:

- Class Trips
- Classroom Supplies for Teachers
- Science Resources for student engagement
- Enrichment activities for students.

School Advisory Council:

The School Advisory Council (SAC) will have several member spots open for next year. There are six meetings held each school year. Provincial legislation requires that all schools establish a formally elected body of parent, community, and staff representatives to advise the principal on areas such as:

- Provincial Policy Development
- School Programs and curriculum
- Communication Strategies
- Promotion of School Culture
- Input regarding the Schools Student Success Plan
